## PLANNING BOARD

Although the Planning Board is created by North Carolina General Statute, its purpose is to make land use and development recommendations to City Council. As such, the Planning Board serves an advisory role. However, all recommendations from the Planning Board must go directly to City Council as provided by state law without review by a Council Committee.

1. Created. There shall be a Planning Board of the City of Monroe in accordance with the following provisions:
2. Compensation. The Chairperson shall receive seventy-five dollars (\$75) per meeting attended. All other members, including Alternate Members, shall receive fifty dollars (\$50) per meeting attended.
3. Composition: The Planning Board (PB) shall consist of seven Regular members plus two (2) additional members which are designated Alternate Members to attend all meetings and serve if one of the Regular Members is absent or unable.
4. Appointments; Terms. The Planning Board (PB) shall consist of seven (7) Regular members plus two (2) additional members which are designated Alternate Members to attend all meetings and serve if one (1) of the Regular Members is absent or unable to participate.
  - (a) Members shall be residents of the City of Monroe and shall be appointed by City Council; one (1) Regular Member may reside outside of the City but within the extraterritorial jurisdiction (ETJ).
  - (b) City Council shall appoint the Chair and Vice Chair of the Planning Board who shall serve at the pleasure of the Council. The Chair or Vice Chair shall be subject to the term limit restrictions in § 32.50F of the City Code during the time they serve as Chair or Vice Chair.
  - (c) In addition to the foregoing Regular and Alternate Members, one (1) member of the Monroe Youth Council may serve as an ex officio, non-voting, uncompensated member. The Monroe Youth Council shall select the Youth Council ex officio member at the time it elects officers annually.
  - (d) Member Terms. Planning Board members shall be appointed for four (4) year staggered terms expiring on December 31st.
    - (i) Members may serve two (2) consecutive terms.
    - (ii) Any vacancy in the membership shall be filled for the unexpired term.
    - (iii) Members may continue to serve until their successors have been appointed.
    - (iv) An Alternate Member may be appointed a Regular Member at which time City Council shall appoint a replacement Alternate Member.

5. Organization, Rules, Meetings, and Records. Consistent with Article 3 of Chapter 160D of the North Carolina General Statutes, the Planning Board shall adopt rules for transaction of its business and shall keep a record of its members' attendance and of its resolutions, discussions, findings, and recommendations, which shall be a public record.
6. Meetings. The Planning Board shall adopt a regular meeting schedule.
  - (a) The Planning Board may hold such special meetings as conduct of its business may require.
  - (b) All meetings shall be open to the public.
  - (c) The Planning Board shall keep minutes of its proceedings, showing the vote of each member upon every action or, if absent or failing to vote, indicate such fact.
  - (d) Unless otherwise provided by law, all records and minutes shall be public record.
7. Quorum. No official business of the Planning Board may be conducted without a quorum present.
8. Participating and Voting. The concurring vote of a majority of the then-sitting Members of the Board, whether Regular or Alternates, shall be required on all matters.   - (a) For the purposes of this division, an Alternate Member shall fill in for vacant positions on the Board and members who are not disqualified from voting on a matter which shall constitute the then-sitting Regular Members for each matter in consideration. Vacant or disqualified members shall not be considered members of the Board for calculation of the requisite majority if there are no qualified alternates available to take the place of such members. Once a member is physically present at a Planning Board meeting, any subsequent failure to vote will be recorded as an affirmative vote unless the member has recused himself or herself, or been excused in accordance with the division below.
  - (b) Members shall not vote on any advisory or legislative decision regarding a development regulation where the outcome of the matter being considered is reasonably likely to have a direct, substantial, and readily identifiable financial impact on the member. All members including Alternate Members shall be appointed by City Council, and the Chair and Vice Chair shall be appointed by City Council.
  - (b) Members of the Board of Adjustment shall be residents of the City and shall be appointed by City Council; one (1) member may reside outside of the City but within the extraterritorial jurisdiction (ETJ).
  - (c) The Chairperson shall receive seventy-five dollars (\$75) per meeting attended. All other members shall receive fifty dollars (\$50) per meeting attended.

    - i. Members may serve two (2) consecutive terms.
    - ii. Any vacancy in the membership shall be filled for the unexpired term.
    - iii. Members may continue to serve until their successors have been appointed.
    - iv. An Alternate Member may be appointed a Regular Member at which time City Council shall appoint a replacement Alternate Member.
3. Rules of Procedure.
  - (a) Generally. Consistent with Article 4 of Chapter 160D and §160D-302 of the North Carolina General Statutes, the Board of Adjustment shall adopt rules for the transaction of its business and shall keep a record of its members' attendance and its resolutions, discussions, findings and recommendations, which record shall be public record.
  - (b) Meetings. The Board of Adjustment shall adopt a regular meeting schedule. In addition, the Board of Adjustment may hold such special meetings as the conduct of its business may require. All meetings and hearings shall be open to the public.

A majority of the then-sitting Regular Members shall be required to decide any other quasi-judicial matter or to determine an appeal made in the nature of certiorari.

- i. For the purposes of this division, vacant positions on the Board and members who are disqualified from voting on a quasi-judicial matter shall not be considered members of the Board for calculation of the requisite majority if there are no qualified alternates available to take the place of such members. Alternate Members shall replace and sit in the place of absent or disqualified Regular Members and be considered a then-sitting Regular Member for purposes of hearing a particular matter before the Board.
    - ii. Once a member is physically present at a Board of Adjustment meeting, any subsequent failure to vote will be recorded as an affirmative vote unless the member has recused himself or herself, or been excused in accordance with the division below.
    - iii. A member shall not participate in or vote on any quasi-judicial matter in a manner that would violate an affected person's constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter. For purposes of this section, a "close familial relationship" means a spouse, parent, child, brother, sister, grandparent, or grandchild. The term includes the step, half, and in-law relationships. In addition, a member who was not present at the hearing at which evidence relevant to the matter at issue was taken shall not vote on the matter.

- (5) Reconsideration of Board of Adjustment Action.
- (a) Whenever the Board of Adjustment disapproves an application on any basis other than the failure of the applicant to submit a complete application, such action may not be reconsidered by the respective board for a period of one (1) year unless the applicant clearly demonstrates that:

- i. Circumstances affecting the property that are the subject of the application have substantially changed; and/or
  - ii. New information is available that could not with reasonable diligence have been presented at a previous hearing. A request to be heard on this basis must be filed with the administrator within the time period for an appeal to superior court. However, such a request does not extend the period within which an appeal must be taken.
- (b) Notwithstanding division (a) above, the Board of Adjustment may at any time consider a new application affecting the same property that an application has been previously denied for. A new application is one that differs in some substantial way from the one previously considered.
